

Pack your (imaginary) bags and get ready for an artistic adventure across the globe! In this exciting five-day camp, young artists will explore five different cultures through five incredible works of art. From vibrant patterns to unique traditions, kids will discover how people express themselves through art around the world.

Led by **Deidre Greene**—an art teacher at **New City School**—each day features a hands-on creative project inspired by a different country—perfect for curious minds and creative hands!
